Class Overview

Dear ECRHS Instrumental Music Students & Parents/Guardians,

Welcome to the Instrumental Music Classes at ECRHS. I am looking forward to a very successful year with you in instrumental music, and would like to give you an overview of what will be in store for you this year.

1. Attendance & Class Participation - Students will be expected to attend class, be on time, participate in class, and participate in the scheduled performances for the classes that he or she is enrolled in. The performances will be graded assignments for the class.

3. Grading – As this is a performance class, our assignments will be playing quizzes and test in class, along with the scheduled performances. I use grading scale of 90-100% - A; 80-89% - B; 70-79% - C; 60-69% - D; 59% and below is a fail.

4. Homework Policy – Since we are a performance oriented class, your child's homework will be practicing their instrument for playing tests & quizzes, along with the performances, therefore the checking out of an instrument after school in order to practice for their playing tests & quizzes is extremely important if your child is to succeed in the instruments class.

Thank you for your cooperation.
