COUNTING PULSES

Remember, all notes and rests occur on or between a pulse or beat unit. All notes and rests are related to each other.

Strategy:

1. Look carefully at the time signatures on lines below.
2. Write the correct count number under each note or rest. Some measures have been done for you, some have lines to help you.
3. On the last line of music, draw the bar lines where they belong for that time signature.
4. If you need help, look back at the note & rest tree on lesson 14.

WRITE COUNTS UNDER ALL LINES:

CHECK-UP:

1. Another word for beat unit is _____.
2. All notes and rests occur on or between the P _____.
3. The numbers at the beginning of the staff are called the _____.
4. Tap, count and play the above lines of rhythm.
