## BAR LINE MEASURE

Beside **notes**, the **staff**, and **clef signs**, there are other music symbols to help you in the language of music. We need to divide the staff into short sections. The staff is divided into sections with **bar lines**. The section between the bar lines is called a **measure**.

### Strategy:

1. Draw bar lines by tracing the vertical lines through the staff.
2. Draw your own bar lines where you see each arrow.
3. Write the word "measure" on the lines under each section between the bar lines.
4. Make your own bar lines as neat as you can. Draw the lines on up to each outside line of the staff.

### TRACE BAR LINES:

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

### DRAW BAR LINES:

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

Write the word **measure** on the blank line below each measure you formed.

### CHECK-UP:

1. The staff can be divided into sections by vertical lines called \_\_\_\_\_ lines.
2. Each section between the bar lines is called a \_\_\_\_\_.
3. How many measures did you form above? \_\_\_\_\_
4. Lines and spaces on the staff are numbered from \_\_\_\_\_ to \_\_\_\_\_.
