NOTE NAMES

We have learned that notes get their names from letters of the alphabet.

Letters, ABCDEFG are used in order as notes move higher in sound.

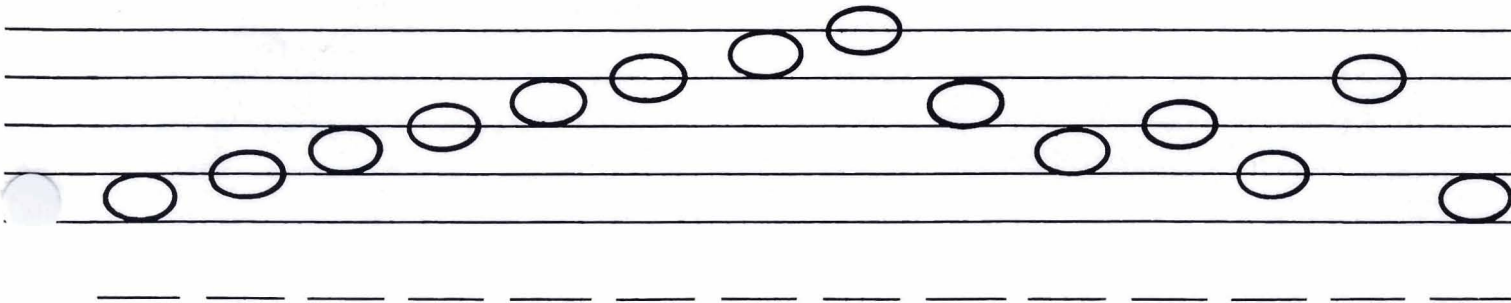

It is important that you now begin to memorize note names for your clef.

Note names are part of the language of music.

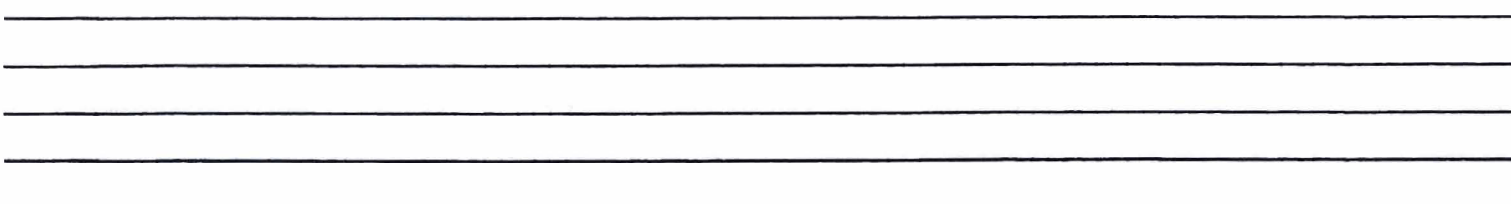

Strategy:

1. Start to memorize the names of notes on the staff by completing the activities below.
2. Draw your clef sign at the beginning of each staff.
3. Follow all directions carefully.
4. Look back to the last lesson if you need help..
5. Think space and line sentences to yourself as you work.

WRITE the letter name of each note on the line under the staff.
