

20 LEARNING GOAL

Name _____
Date _____
Score _____

3 TIME SIGNATURE 4

In $\frac{3}{4}$ time, a dotted half note () takes up the entire measure of three counts. In $\frac{3}{4}$ time the **accented beat** or main pulse is **on count one**.

Example: 
1 2 3

Strategy:

1. Circle the note or rest which gets the first beat in each measure on the 1st line of music.
2. On the 2nd line of music write the counts under the notes and rests.
3. Place the bar lines in the correct spot on the 3rd line of music.

WRITE COUNTS FOR ALL LINES:

CHECK-UP:

1. In $\frac{3}{4}$ time, a _____ note takes up one entire measure.
2. The accented beat is on beat _____ in each measure.
3. A dot adds _____ the _____ of the note it is beside.
4. Practice tapping and counting in $\frac{3}{4}$ time. Count the first beat in each measure louder than the others to accent it.
