PLACEMENT OF NOTES

When notes are placed on the staff, they sound either **high**, **medium**, or **low**. Highest sounding notes are written on top of the staff. Lower sounding notes are on the bottom part of the staff.

Remember, we learned the staff lines and spaces are numbered from bottom to top.

WRITE 3 notes on the 4TH SPACE:

Strategy:

1. Follow the directions above each staff to practice writing notes.
2. Write clearly and carefully so your notes can be easily read.
3. Remember to count staff lines and spaces from bottom to top.

WRITE 4 notes on the 3RD LINE:

WRITE 4 notes on the 2ND SPACE:

WRITE 3 notes on the 4TH LINE:
