

## NOTE & REST TYPES WHOLE, HALF, QUARTER

**Rhythm** is a *pattern for organizing time in music*. Notes and rests are used.

A **rest** is a drawing to tell us to include silence in the music. Rest and note drawings show us exact length or duration.

There is a rest with the same name and length as each basic note type.

### Strategy:

1. Look carefully at the basic rests drawn below.
2. Write the correct name of the 3 basic rest types on the blank lines.
3. Copy the drawings of the rest types.
4. Place your drawing in the boxes.

#### BASIC REST TYPES

REST NAME	REST DRAWING
-----------	--------------

Whole Rest

Half Rest

Quarter Rest

#### WRITE NAMES OF RESTS

_____	_____
_____	_____
_____	_____

#### DRAW RESTS IN THE BOXES

DRAW TWO WHOLE RESTS

_____	_____
-------	-------

DRAW TWO HALF RESTS

_____	_____
-------	-------

DRAW TWO QUARTER RESTS

_____	_____
-------	-------

### CHECK-UP:

1. \_\_\_\_\_ is a pattern for organizing time in music.
2. Periods of silence in music are shown by drawings called \_\_\_\_\_
3. Rests and notes are drawn to show exact length or \_\_\_\_\_
4. There is a \_\_\_\_\_ with the same name and length as each basic note type.
