NOTE DRAWING

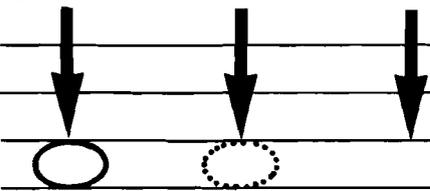

Notes are placed on lines or spaces of the staff. Line notes circle the line exactly. Space notes are written exactly between two lines.

Notes tell us the pitch or sound to play or sing. Pitch or level of sound is shown by **notes**.

Strategy:

1. Look carefully at the drawn notes at the beginning of the staff.
2. Trace the dotted notes.
3. Practice drawing your own notes.
4. Draw notes neatly on the correct line or space.
